Your bidder registration is almost complete!

All potential clients that have not bid in at least 10 live sales or participated in at least 5 transactions are required to provide a valid credit card with expiration date to be approved to bid with Time & Again Galleries. All potential clients who have been bidding with live auctioneers for under the last 8 months will also need to fill in the form. All potential clients out of the country will also need to fill out this form. Finally, clients with a poor Live Auctioneers dispute history or an active open dispute will also need to fill out this form as well.

To test the validity of your credit card we will run a pre-authorization for \$500.00 (**NO DEBIT CARDS!!**). This is NOT a charge; the money will simply be held for a day or two and then automatically released by your bank. We WILL NOT have the ability to release the hold. Please be aware, if you do provide a debit card, the money can be held for up to a few weeks. If you are successful you will still have the option to pay via Paypal, personal check, wire transfer or credit card.

If payment is not made within 3 business days after the sale we will use the credit card you have provided to settle your invoice.

Please complete this form with the required information so that we may approve you to bid. You may fax it to us at 908-862-3438 or scan it to timeandagainalleries@gmail.com.
